ATMOS ENERGY BIOMETRIC HEALTH SCREENING

Atmos Energy employees and spouses who are covered by the Atmos Energy Medical Plan can earn a discount on 2024 medical premiums by completing a health screening with their physician by September 30, 2023. If you visited your doctor after October 1, 2022 and you had the required tests performed, you may have your provider complete a health screening form. Required tests include: height, weight, blood pressure, cholesterol, blood glucose, and waist circumference. Follow the directions below to complete your health screening form.

For more information about the health screening and medical plan discount, please contact your HR Partner.

Your biometric screening and form submission deadline was 9/30/23. Please reach out to your local HR Partner for questions or concerns.

Atmos Energy is committed to helping you achieve your best health. Rewards for participation in a wellness program are available to all employees. If it is unreasonably difficult or medically inadvisable for you to participate in the biometric screening due to a medical condition, you might qualify for an exemption. To sign the exemption form, please contact HR partners by emailing hrpartners@atmos.com for more information.

Step 3: Create an account by providing the information needed on the registration page.

You will be sent a confirmation email. The registration system uses multi-factor authentication (MFA) to help keep your account safe.

Your welcome message includes a link that will take you to your secure account where you can complete the consent form and schedule a service.

PCP Form

1. Download the physician form.
2. Schedule an appointment for your annual preventive exam with your doctor. Take the downloaded form to your appointment.
3. Your doctor will perform your annual physical and lab tests. Ask your doctor to complete the downloaded form. If you have already visited your doctor this year, check that your exam was within the required timeline to get credit for your wellness tests.
4. When your form is completed, upload the form back here to the screening management site for review and verification.
5. Your form will be verified within three business days. Your test results are posted under the 2FGU/TC tab shortly after they are verified.
